DECLARATION

We declare that SUAREZ VALENCIA JAVIER EDUARDO, born in Bogota (Colombia) on 15/02/1995, has been working as a full time post doc fellow at the Center for Studies and Activities for Space "Giuseppe Colombo"- CISAS of the University of Padova - Italy from April 1st 2025 to September 30th 2026.

The purpose of this contract is to award a fellowship to carry out research activities relevant to the project as described hereunder: "Characterization of lunar skylight analogue sites, definition of operational scenarios and testing of hyper-hemispheric panoramic cameras for in situ exploration", related to project entitled «DaedalusCam - Camera immersiva stereoscopica per l'esplorazione di skylights e lava tubes lunari», under the supervision of prof. Matteo Massironi – University of Padova – Italy.

This declaration is issued on demand of the concerned person for the uses permitted by law.

Il Direttore
Prof. Giampaolo Piotto
