Final:	118

General Information

- The purpose of the Michigan English Test (MET) is to evaluate general English proficiency in social, educational, and workplace contexts.
- All tests are computer-scored at the University of Michigan.
- Score results are valid for two years after the date of examination shown in this report.
- For more information about the MET scores visit www.lsa.umich.edu/eli/testing/met
- Official score reports are printed on paper with a large University of Michigan watermark.
